

*... and now for the **SECOND ACT!***

All MTWS Members are invited to participate in the **ALL-NEW SECOND ACT:**
an opportunity to show and sell your artwork in a gallery setting for no additional fees!

Confetti Hearts Studio, the new location of our popular annual MEMBERS SHOW, has opened up even more wall space in the gallery in May 2024 for members to display and sell their wares! Second Act entries will grace the walls of the gallery while the middle of the gallery will feature the Members Only show.

SECOND ACT allows members to exhibit their larger pieces of framed art in the Confetti Heart Studio's gallery at the same time as the Members Only Show. From May 3rd through Memorial Day, May 28th, your larger framed art can be displayed and sold at no cost to you. If your paintings sell, the gallery will collect the standard 40% commission. Second Act framed paintings will NOT be part of the Members Show – they will not be judged or considered for awards. There are no restrictions on size, age or media of your SECOND ACT entries – just that the shipping and handling of your artwork is your responsibility. Prepaid return shipping is required.

All submitted artwork must arrive in Billings by MONDAY, APRIL 22.
